AWARDED THE PRESTIGIOUS SQC STAR CERTIFICATION

DIMENSIONS has been a recipient of the Singapore Quality Class (SQC) since 2004 as testimony of our outstanding business excellence framework and standards. This year, DIMENSIONS is pleased to announce that we have attained a new milestone in our business excellence and quality journey. We have been awarded the prestigious **SQC Star** certification by SPRING Singapore. This quality assessment allows DIMENSIONS to benchmark our management systems and processes against local and international business excellence criteria, and we are proud to emerge as an organisation that has achieved greater heights in the business excellence journey. DIMENSIONS will continue to strive for sustainable growth and continuous improvement in all aspects of business excellence.

Students are at the heart of everything we do at DIMENSIONS, and the **SQC Star** award serves as a quality mark of recognition and assurance that value-adds to our students' educational experience. With effective management strategies and business processes in place, we will continue to pride ourselves as one of the leading institutions in the provision of quality education to all students at DIMENSIONS.

自2004年起，博偉因卓越的经营标准连续获得新加坡素质级评级 (Singapore Quality Class, SQC) 的认证。今年，博偉国际教育学院突破以往佳绩，摘获了由新加坡标新局 (SPRING Singapore) 颁发的新加坡素质级评级星级认证 (Singapore Quality Class Star, SQC STAR)。此星级认证要求私立教育机构在管理各个关键领域和提供高质量教育服务方面都要有优异表现。博偉之所以能在众学院中脱颖而出，是因为拥有正规和系统化的行政管理以及优质的教学质量，并将这种高要求的教育服务实施为“常态”。

博偉秉承“以学生为本”办学理念，此项星级认证再次印证了学院对于提供优质教育服务的承诺保证，也突显学院管理层对于其未来走向更高质量国际化教育市场的规划。

● EDITOR'S NOTE

Good news, everyone! DIMENSIONS is honoured to forge ahead as one of the leading PEIs which has attained the prestigious SQC Star certification awarded by SPRING Singapore in recognition of our superior performance in business excellence.

In addition to this piece of delightful news, do stay with us as we have a whole heap of interesting activities coming your way!

With love,
Evelyn

INDUSTRIAL VISIT TO UNITED OVERSEAS BANK

In the month of August, the students of the MBA and BABA programmes were given the opportunity to partake in an industrial visit to United Overseas Bank (UOB). Taking a field trip to this globally renowned bank establishment certainly widened our students' academic horizons and heightened their learning experience beyond the classroom.

This industrial visit focused primarily on the main functions of the bank such as the accepting of deposits and granting of advances. Thereafter, the branch manager gave the students a backstage tour of the secondary functions of the bank such as the transferring of funds, collection of cheques, underwriting and social welfare programmes.

The course structures of the MBA and BABA programmes place substantial emphasis on the necessary entrepreneurial skill-sets and financial concepts which are universally sought-after by employers. Through this informative field trip, we hope that students have gained first-hand information and invaluable insights regarding the day-to-day operations of the banking industry.

2016年8月，博偉国际教育学院工商管理硕士和企业管理本科课程的学生有幸参观拜访了大华银行。能够在这所誉享全球银行实地学习，对于每位学生来说都是提升职业技能的好机会，与上课相比也是一段别样的学习体验。

大华银行的员工向学生们大致介绍了银行所提供的主要金融服务，例如存款服务、借贷服务等。大华银行的经理还带着同学们参观了银行内部办公环境，解说了有关资金转账、支票签收、保险服务和社会福利计划。

工商管理硕士和企业管理本科课程旨在让学生掌握必要的企业操作技能和金融理念，以达到雇主的要求。学院希望通过组织实践活动，帮助学生获得充分的知识技能，为其将来进一步发展奠定坚实的基础。

LEAVE NO PIN STANDING

Don't we just simply love bowling? Needless to say, bowling is a popular sport for all ages and at the same time, it improves the overall flexibility of one's arms and core muscles. This physical activity also serves as an effective stress reliever in today's fast-paced and hectic society.

Thence, our sports team gathered the students of DIMENSIONS for a 2-on-2 bowling competition at Forte Bowl Kovan! Greeted with the state-of-the-art bowling alleys, the wondrous atmosphere brought out the competitive nature of the students and spurred them to give the competition their best shot. As such, some students managed to make consecutive strikes and nearly achieved a perfect game to win.

At the final game, the winner swung the bowling ball into the pocket and sent all pins packing in a heartbeat. Turning around in jubilant grin, students jumped and gave him a hi-five. Calls of "good shot" and "awesome" could be heard everywhere!

毫无疑问，保龄球是一项受不同年龄层追捧的运动。打保龄球不仅能够锻炼臂力还能增强肌肉的灵活性。在当今高压快节奏的社会步伐下，打保龄球能够缓解人们的压力。

因此，博伟的体育委员会组织学生在Forte Bowl Kovan举办了2对2保龄球小组对抗赛。在这个先进的保龄球馆里，激烈的比赛氛围唤起了学生们竞争的天性，激起每一位参赛者在比赛中发挥最佳的水平。正如此，学生们不断地掷球，力获一场完美的胜利。

最后一场比赛中，获胜者摆动保龄球并掷出，一次撞倒所有球瓶。转身欢呼的一瞬间，学生们纷纷跳起来和他击掌，并伴随着“好球”、“真棒”的欢呼声。

LIFE IS A CARNIVAL!

With the upbeat music and ecstatic laughter reverberating beyond the school gates, DIMENSIONS' Circus Themed Funfair kicked off with plenty of interactive booth games, competitive challenges, splendid performances, wacky brain teasers, and attractive prizes lined up to keep students entertained.

Whilst the students made their way into the school hall, the tantalising aroma of popcorn and cotton candies tingled at the back of their throats, enticing them to give these carnival snacks a try. Huddled in a corner, some students held sticks of fluffy balls in their hands whilst others munched on their crunchy treats.

Buzzing with anticipation, the screams of exhilaration spread across the hall as the curtains were drawn. Cheers echoed as our students put on a breath-taking series of spectacular performances which received a thundering ovation from the excitable crowd.

As the funfair came to a close, the crowd trickled out of the hall and enjoyed a delectable buffet spread whipped up by our dedicated chefs and student helpers. It was definitely a blast and everyone had a whale of a time!

欢快的音乐和同学们的笑声回荡在校园里，此时博偉正举办一场以美食、游戏和表演为主题的活動，激烈的搶攤位遊戲、充滿挑戰性的競技、絢麗的表演和腦筋急轉彎搶答都給這次活動增添了不少樂趣。為了誘人的獎品，同學們都非常積極踴躍地參加。

當同學們走進學校禮堂時，爆米花和棉花糖的香味撲面而來，大家各個垂涎欲滴，都躍躍欲試這些美食和小吃。大家圍成一團，一些同學玩耍著手中的小球，一些同學非常開心地咀嚼口中的美食。

在大家的期待下，活動拉开了帷幕，欣喜的尖叫声響徹禮堂。在歡呼聲中，我們的學生表演了充滿創意的節目，獲得了台下老師和同學們的熱烈掌聲。

活動接近尾聲時，大家還品嚐了由學院餐飲專業的老师和同學們精心烹飪的自助餐。這絕對是一場盛宴，在座的每位同學都非常享受。
