The team from Hougang NPC gave an informative presentation that covered a range of topics with relevant demonstrations to better educate students about road safety. DIMENSIONS INSIGHT recently caught up with two top scorers of the 2013's GCE "A"-Level Examination – **Wu Jiayi (Esther)** and **Gao Zhenyu (Edmund)**. They are amongst the many students enrolled into the Preparatory Course for Singapore-Cambridge General Certificate of Education (Advanced Level) Examination (Intensive).

Both found the drive and commitment to accomplish well in their studies but the journey was not always straight and easy. Here are the twists and turns of educational life as described by them.

What was your most memorable experience studying at DIMENSIONS International College?

Esther: I was reprimanded by Mr. Woo Kin, Head of Customer Support Service for playing with my mobile phone in class. From then onwards, I never fooled around in class anymore. Instead of being spiteful, I appreciated the concern and dedication of my lecturers and the staff at DIMENSIONS. They have not forsaken or given up on me and that has moved me to strive harder.

Edmund: My best memory was visiting the elderly at Tai Pei Old People's Home. It was an experience I'd never forget, bringing joy to the elderly through simple interaction and treats. Also, I got to make friends at the event. Now, I am able to strike up a conversation with anybody!

How did you cope with the pressures of studying and doing well in school?

Esther: I think my teachers have helped me a lot, reminding me to concentrate in class. Some teachers even give us their contact number in case we have any questions about homework! I have a lot of respect for them and their care towards us. It makes school life less intimidating and overwhelming.

Edmund: Yes, I have the contact numbers of many teachers who so freely provide for us. We can easily meet our teachers after class and they will be ready to help. I think it is important to listen to the teachers and the instructions or advices they give to the students. When applied, these useful tips can really make study life easier and more fruitful.

What advice do you have for those taking their examinations soon?

Edmund: Time management is important and can be easily overlooked. This applies during and before an examination. For preparation purposes, it is crucial to have a timely schedule of study plans.

The more specific and detailed, the better! Take things step by step and things will be much clearer.

Esther: Never give up! I was infected with dengue and was recovering when I took my General Paper. Still, I tried my best and managed to score well for the paper despite the headache and uncomfortable state I was in.

DIMENSIONS INSIGHT 最近联系到在2013年 GCE "A" 水准考试中获得高分的两位同学——吴佳艺和高振宇。他们是众多报读GCE "A" 水准课程学生中的一员。

他们找到了自己的目标并很好地完成了学业，但是这段路并不是永远简单和轻松的。下面就是他们艰难的求学生活。

你们在博得最值得回忆的经历是什么?

Esther: 我曾因为上课时玩手机被学生事务部经理 Mr. Woo Kin 训斥过。自那以后，我再也没有在课堂干过这种傻事。我很感谢博得的老师和员工的关心，他们并没有放弃我。这让我能更加地努力前行。

Edmund: 我印象最深的是访问大悲安老院那次。这是一次让我永远难忘的经历，通过简单的交流与互动给老人们带来欢乐。我在活动中结交了很多

朋友。现在我能与任何人轻松交流。

你们是怎样应付学习中的压力的呢?

Esther: 我认为我的老师给了我很多帮助，提醒我在课堂中要集中注意力。一些老师甚至给我们他们的联络方式，以便当我们在做习题时遇到问题可以联系到他们。他们很关心我们，我也很尊敬他们，这让我的学习减轻了不少压力。

Edmund: 是的，我有很多愿意帮助我们的老师的联络号码，课后我们都能经常见到这些老师，他们很热心帮助我们解决学业上的问题。我认为听从老师的指导和建议是非常重要的，当我们采纳这些建议和学习技巧时，真的感觉学习变得更简单。

你有什么建议给那些即将参加考试的学弟学妹们呢?

Edmund: 时间管理在考试中很重要，但也很容易被忽视。在考试准备的过程中，有一个精密的学习计划日程安排是至关重要的。这个日程安排越精密越详细越好。一步一步地完成计划将会使你更清楚地了解自己的程度。

Esther: 永不放弃！我曾感染了登革热，正在恢复的过程中我参加了英文 (General Paper) 的考试，尽管考试中的头疼让我感到不适，但我仍尽我最大努力来争取高分。
