RELENTLESS QUEST FOR THE NET!

Things got a little exciting at DIMENSIONS' Main Campus in the month of May. An unbridled excitement filled the air as the students of DIMENSIONS engaged in an inter-school basketball competition which took place on 20 May 2017.

Amid the sweltering heat, players did a thorough warm-up and assembled at the basketball court; ready to play. At the sound of the referee's whistle, the ball was tossed straight up in the air and the game began. Round after round, each team fought hard and attempted to win a resounding victory over its opponents.

In the final game, spectators along with apprehensive players held their breath as the ball reached its peak in mid-air. With one minute remaining, one player caught the ball, aimed for the basket, and successfully made his last shot. That was when the referee's whistle shrilled.

Congratulations to the students of DIMENSIONS' Bukit Timah Campus, namely, Zhao ZiChun, Tang MingXuan, Cai XianYue, and Xiao BoWen for clinching their well-deserved champion title!

2017年5月20日，博偉高文校区的操场上充满了学生们的欢声笑语！一年一度的篮球友谊赛拉开了帷幕。此次比赛汇聚了博偉三个校区各个专业的在读学生和毕业生。

学生们在炎炎夏日中上演了一场精彩绝伦、热血沸腾的篮球比赛。最宝贵的体育精神就是拼搏进取、团结协作。本次友谊赛上，我院学生奋力争先，处处体现着顽强拼搏、团结协作的体育精神。每一场比赛，学生们始终保持昂扬的战斗精神，每一次争夺都用尽全力永不言弃。

在这里恭喜来自武吉知马分院的Zhao ZiChun、Tang MingXuan、Cai XianYue和Xiao BoWen同学夺得了团体冠军。冠军队实力担当，赢得了金牌和300新币奖金。希望更多的同学们能够积极参加学校组织的各类型体育比赛，从而帮助学生以更轻松的心态应对平时紧张的学习。

EDITOR'S NOTE

As the saying goes, "Kindness costs nothing, but pays big dividends!" Well, I absolutely concur! Just recently, our students paid a visit to Food from the Heart and volunteered to sort and pack food items for the beneficiaries. In addition to that, the annual

inter-school basketball took place this May and it was surely a great deal of fun watching students play their hearts out. Do read on as our outstanding alumna – Jiang WeiXi will also be featured in this issue's Dimensions Insight!

MAKING A DIFFERENCE FROM THE HEART

Sure, the delectable side dishes and succulent meats that greet you at a buffet restaurant may seem tantalising to the palate. But what happens to the leftovers when no one eats them? At first glance, it seems as though there aren't many people who are starving in a modern metropolis like Singapore. Unbeknownst to some, there are indeed people who are unable to meet their basic needs such as food and shelter.

Driven by eagerness to help people in disadvantaged situations, enthusiastic students of DIMENSIONS extended their love and kindness by sorting and packing food items at Food from the Heart – a non-profit organisation that brings joy to people by way of a food distribution programme. We sincerely hope that we have helped to improve lives through these simple acts of kindness!

在新加坡这样一个富裕且发达的国家，也有一些生活贫困的人们。但乐善好施的身边人并没有忘记他们，各个慈善机构和广大民众每年会经常向这些人派送食品和生活必需品，帮助他们克服生活困难。博偉也经常组织学生作为义工加入社区的献爱心活动中，为低收入家庭献出绵薄之力。

2017年6月1日，博偉学生们参加了慈善机构组织的派送食物活动。同学们的主要工作是将各种食物分装到派送袋中，从而协助慈善机构将食物送到受益者家中。大家都干劲十足，表现出无私奉献的义工风采。

将心中的那份爱心永远点亮，博偉希望越来越多的在校生们都能够参与到社区公益活动中来，致力于帮助社会上需要援助的人们

LET'S HEAR FROM JIANG WEIXI

Hello, I am Jiang Weixi. I was admitted to Innova Junior College in February 2017 shortly after completing my educational journey at DIMENSIONS International College – a private education institution which provides over 35 years of quality education.

“

Aside from its conducive learning environment, DIMENSIONS has a pool of competent and dedicated teachers who often go the extra mile to groom and develop future-ready graduates. It goes without saying that teachers play a fundamental role in the lives of students.

They lead, inspire, motivate and guide them through the different development stages and milestones of their learning – akin to all parents out there. As students, we need to appreciate and honour our teachers' earnest efforts in order to create a harmonious learning environment. It is also of utmost importance to develop a sense of belonging and foster strong bonds of friendship between schoolmates.

Evidently, DIMENSIONS upholds its ideals by promoting strong school spirit which deems as a defining aspect of its distinctive school culture. Students' interests and well-being are at the heart of DIMENSIONS and as such, the school works towards maintaining high and stringent standards of ethical conducts amongst students whilst bolstering their moral compasses. That being said, I am proud to call myself an alumna of DIMENSIONS.

Let's face it – is inevitable to face unprecedented challenges from time to time. When plagued with persistent problems, never allow these snags and drawbacks to hinder your progress. Speaking of which, I admire the indomitable spirit of gallant sailors whose vessels have fought against harsh weather conditions and violent storms, time and again. Likewise, I believe that we can grow and learn from our adversities and setbacks. Every storm survived is an incredible learning experience.

It's been said that a smooth sea never made a skilled sailor and I agree with every bit of that. Encompassed by verdant greenery, the classrooms, library and laboratories at DIMENSIONS High School are extremely well-equipped and well-lit. To ensure the academic success of their students, the teachers at DIMENSIONS also use a variety of instructional strategies and approaches to substantially enhance their learning experience.

Once again, I would like to express my gratitude to DIMENSIONS. Only through the experience of trials and ordeals can one's inner core be toned and strengthened. Right now, I have overcome my self-imposed limitations and I will continue to strive for greater excellence.
