EDITOR'S NOTE

Dear Readers,

Over the past several decades, DIMENSIONS has steadily raised the bar of academic excellence and earned a significant number of awards under its belt, with the most recent being the Best Private Education Institution Award and Gold Standard Service Provider Awards which affirm its dedication to providing high-quality education and celebrate its success as one of the leading private education institutions in Singapore. As part of its commitment to fostering student engagement outside of the classroom, a fun and exciting cook-off was held at DIMENSIONS' industrial training kitchen to enable culinary students to pit their skills against one another as they devised their very own recipes and added their unique personal touches to the dishes. Read on for more!

Cheers,
Evelyn

Our Unique Differentiations

Strategic Partnerships with Renowned Universities and External Awarding Bodies

During the recent years, DIMENSIONS has engaged in a growing number of strategic partnerships and has since forged a broad network of collaborations with highly reputable universities and higher education institutions from the UK to yield mutually significant benefits by delivering quality-assured diploma, bachelor's degree, master's degree, and postgraduate diploma programmes in the areas of accounting and business management.

Effective Pedagogical Materials and Technology-Rich Learning

Through the interactive practitioner-led sessions, students can expect worthwhile networking opportunities, high-quality instructional content, structured group discussions, thought-provoking presentations, and great pedagogical tools to stimulate their critical thinking skills and support their professional development. In addition, our well-appointed academic resource centre enables students to access a wealth of information and educational resources to facilitate their learning outside the classroom.

Full Accreditation by Main UK Accounting Bodies

Eligible students who seek to pursue the Bachelor of Arts with Honours in Accounting and Finance programme offered by our institutional partner, Cardiff Metropolitan University (CMU), are able to obtain up to nine exemptions from the Association of Chartered Certified Accountants (ACCA).

International Food Competition

An annual international cook-off challenge unfolded on 8 October 2018 where culinary students from different quarters of the world were divided into fourteen teams of two to create iconic dishes representing their cultural heritage and regional diversity. As the competition started to ramp up and the clock started ticking away every precious minute, student contestants from each team went into overdrive at their designated workstations to ensure that the quality and presentation of their dishes were splendid. Underlying all the gutting, deboning, chopping, mincing, and cooking, we witnessed, was an undivided spirit of teamwork and cooperative efforts displayed by the students.

In a couple of hours, a myriad variety of culinary creations was put before a panel of distinguished judges as they marvelled at the sight of the creatively plated dishes and singled out the best ones which brought gratification to their palates and met the cardinal tenets of professional cookery. Congratulations to all champions and runners-up who emerged victorious and outdid themselves in terms of creativity and culinary skills! You are now equipped with the highly sought-after skills to contribute to the culinary industry!

一年一度的校园国际美食烹饪赛于2018年10月8日展开，我院来自世界各地就读烹饪课程的同学每2人一组，共组成了14支烹饪队伍一争高下。在比赛中，同学们都选择烹煮自己国家的传统美食。比赛现场的气氛非常紧张，同学们在争分夺秒地完成自己的作品，用心且细致地烹饪出一道道美食，希望自己能够在比赛中夺得桂冠。烧、煮、炸、蒸等烹饪工序无一不在考验同学们的手艺，我们看到了学子们的成长与进步，更被他们的团队合作精神所感动。

终于到了评比环节了，美食的香气便扩散到空气中，这一幕总是能够激起大家的食欲，令人兴奋不已。参赛者们使出十八般武艺，精致的摆盘给菜肴增色不少。评委们全程都在观察参赛者的表现，根据专业的考核标准评出三甲队伍。在此祝贺所有获奖的同学们，每一位参赛者的表现都非常出色！
